DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

A Non-Final Office action was mailed in the instant application on 25 November 2008. The Office action was directed to claims 1-11. On 25 February 2009, Applicants provided evidence that a Preliminary Amendment was filed in the instant application on 07 December 2005 which had not been matched to the file at the time of the Office action. The Preliminary Amendment canceled claims 1-11 and added new claims 12-22. Since the Office action of 25 November 2008 addressed only canceled claims, the action was sent in error. Accordingly, the Office action of 25 November 2008 is hereby VACATED. A new action on the merits will be forthcoming.
